

Emily Treleaven, PhD, MPH

426 Thompson Street ▪ Ann Arbor, MI 48106-1248 ▪ +1 (734) 764-7737
treleav@umich.edu

Academic appointments

- 2021 – **Research Assistant Professor**, University of Michigan
Survey Research Center, Institute for Social Research
- 2020 – 2021 **Research Investigator**, University of Michigan
Survey Research Center, Institute for Social Research
- 2017 – 2020 **NICHD Postdoctoral Fellow**, University of Michigan
Survey Research Center & Population Studies Center, Institute for Social Research

Education

- 2017 **University of California, San Francisco**
PhD, Sociology
- 2010 **University of North Carolina at Chapel Hill**
MPH, Maternal and Child Health
- 2006 **Georgetown University**
BA, Spanish and Psychology

Peer-reviewed publications

Honors and awards

University of California President’s Dissertation Year Fellowship (2016 – 2017)

Society of Family Planning Trainee Grant (2015 – 2016)

Mekong Region Development Research Group Scholar Exchange Fellowship (2015)

UCSF Earle C. Anthony Fellowship (2014 – 2015, 2015 – 2016)

University of California Global Health Institute Student Fellowship (2013 – 2014)

UNC Department of Maternal and Child Health Global Health Internship Award (2009)

Dean’s List, Georgetown University (2003 – 2006)

Grants (Current)

R03HD113833	09/2023 – 08/2025
National Institute of Child Health and Human Development	\$172,476
Exposure to violence and maternal health	
Role: Multiple Principal Investigator (with Tracy Lin)	

R25HD101358	07/2020 – 06/2025
National Institute of Child Health and Human Development	\$787,344

Interdisciplinary research and training program for comparative science
Role: Co-Investigator (PI: William Axinn)

A126816 01/2016 – 12/2022
Musso Health \$1,767,894

Evaluation of proactive community case management for child survival: A cluster-randomized trial
Role: Co-investigator (PI: Jenny Liu); sub-contract from United States Agency for International
Development, Development Innovation Lab award 7200AA20FA00020 to Musso Health

R03HD107047 07/2022-06/2024
National Institute of Child Health and Human Development \$156,000
Data Archiving and Dissemination for Comparative Population Science
Role: Co-Investigator (PI: Sabrina Hermosilla)

Grants (Past)

R03HD098705 09/2020 – 08/2023
National Institute of Child Health and Human Development \$156,000
Migration, family context, and child health
Role: Principal Investigator

F32HD093145 09/2017 – 06/2020
National Institute of Child Health and Human Development \$177,499
Children's Health and Migration
Role: Principal Investigator

University of Michigan funding

The next-generation vaccine card: Innovative technology to improve vaccine equity in rural and urban
settings in East Africa 01/2023 – 12/2025
Center for Global Health Equity \$1,154,978
Role: Co-Principal Investigator (with Gershim Asiki)

Increasing post-partum family planning uptake in Ghana 04/2022 – 10/2023
Center for Global Health Equity \$35,000
Role: Co-Investigator (PI: Sarah Compton)

New Investigator Mentorship Program 02/2021 – 01/2022
Population Dynamics and Health Program (P2CHD041028) \$10,833
Role: Principal Investigator

Children's growth trajectories and contextual change 02/2021 – 01/2022
Population Studies Center Endowment Funds \$14,628
Role: Principal Investigator

Covid-19 vulnerability in Tamil Nadu, India 07/2020 – 06/2021
Population Dynamics and Health Program (P2CHD041028) \$15,000
Role: Co-Principal Investigator (with Narayan Sastry)

Chitwan Valley Family Study child health data collection 03/2020 – 02/2021

Population Dynamics and Health Program (P2CHD041028) \$25,000
Role: Principal Investigator

Parental and contextual influences on child health in Chitwan, Nepal 06/2018 – 05/2019
Population Studies Center Weinberg and Freedman Endowment Funds \$11,100
Role: Principal Investigator

Conference presentations (Presenting author)

- 2023 **Treleaven E**, Banchoff E. *Continuity and change in polygyny patterns in Sub-Saharan Africa, 1985 to 2020*. Oral presentation: Population Association of America Annual Meeting; New Orleans, LA.
- 2022 **Treleaven E**, Ghimire DJ. *Children's risk of parental migration: Identifying timing and selection factors of being left behind in a migrant-sending population*. Poster presentation: Population Association of America Annual Meeting; Atlanta, GA.
- 2021 **Treleaven E**, Doumbia S, Whidden CE, Chiu C, Lin TK. *Spatial and temporal effects of exposure to violent conflict on maternal and child health service utilization in rural Mali*. Oral presentation: Interdisciplinary Association of Population Health Science Conference; Virtual.
- Treleaven E**. *The relationship between extended kin resources and children's healthcare utilization: An analysis of family concession networks in rural Mali*. Oral presentation: Population Association of America Annual Meeting; Virtual.
- 2020 Zuverink H*, Kone N, Traore MB, Sogoba M, Whidden CE, Lin TK, Padian N, Johnson AD, Kayentao K, Liu JX, **Treleaven E**. *Effects of removing user fees on barriers to care among children with diarrhea, fever, and pneumonia in rural Mali*. Oral presentation: American Society of Tropical Medicine and Hygiene Meeting; Virtual.
*Presenting author (Undergraduate student)
- 2019 **Treleaven E**. *Re-examining the relationship between parental migration and the health of children left behind: The role of community context*. Poster presentation: Population Association of America Annual Meeting; Austin, TX.
- Zimmer Z, **Treleaven E**. *The rise and prominence of skip-generation households in low- and middle-income countries*. Poster presentation: Population Association of America Annual Meeting; Austin, TX.
*PAA Poster Award winner
- 2018 **Treleaven E**, Liu JX, Schatzkin E, Whidden CE, Padian N, Cissouma S, Samake Y, Keita Y, Diakite D, Traore M, Kone N, Johnson AD, Kayentao K. *Inappropriate antibiotic provision for diarrhea among health providers in rural Mali*. Poster presentation: American Society of Tropical Medicine and Hygiene Meeting; New Orleans, LA.
- Treleaven E**, Liu JX, Schatzkin E, Whidden CE, Padian N, Cissouma S, Cisse B, Samake Y, Keita Y, Diakite D, Traore M, Kone N, Kayentao K, Johnson AD. *Access to quality care for pneumonia, diarrhea, and malaria among children under five in rural Mali*. Oral

presentation: American Society of Tropical Medicine and Hygiene Meeting; New Orleans, LA.

Treleaven E. *The diminishing advantage of skipped-generation households in a migrant-sending context: Child nutrition in Cambodia, 2000 to 2014.* Oral presentation: Population Association of America Annual Meeting; Denver, CO.

Treleaven E, Liu JX. *Resource allocation for child health: An analysis of gender and status in polygynous households.* Poster presentation: Population Association of America Annual Meeting; Denver, CO.

2017 **Treleaven E, Ngini C.** *Care seeking and decision making for child health in skipped-generation households.* Poster presentation: International Population Conference; Cape Town, South Africa.

Treleaven E, Thuy LD, Pham TN, Diamond-Smith N. *The List Experiment: Piloting a Methodology to Measure Stigmatized Behaviors around Sex-Selective Abortion in Vietnam.* Oral presentation: International Population Conference; Cape Town, South Africa.

Treleaven E. *Care seeking and investments in child health: The role of remittances in migrant-sending households.* Poster presentation: Population Association of America Annual Meeting; Chicago, IL.

Diamond-Smith N, Treleaven E, Omoluabi E, Sieverding M, Liu JX. *Comparing quality of counseling by data collection method and marital status: Experiences, perceptions, and attitudes.* Oral presentation: Population Association of America Annual Meeting; Chicago, IL.

2016 **Treleaven E.** *Understanding sex-selective abortion, perceived access, and stigma in northern Vietnam.* Oral presentation: Psychosocial Workshop; Washington, DC.

2015 **Treleaven E, Diamond-Smith N, Pham TN, Le DN, Partridge JC, Le HT.** *Gender disparities in care seeking and severity of sickness for children in Northern Vietnam.* Oral presentation: Population Association of America Annual Meeting; San Diego, CA.

2014 **Treleaven E, Brooks T, Pham TN, Le DN, Le HT, Partridge JC.** *Barriers to care, referrals and care seeking at a tertiary pediatric emergency department in Hanoi, Vietnam.* Oral presentation: American Public Health Association Annual Meeting; New Orleans, LA.

Treleaven E, Zimmer Z. *The effects of migration and household wealth on child health outcomes in the context of rapid urbanization: The case of Phnom Penh, Cambodia.* Oral presentation: Population Association of America Annual Meeting; Boston, MA.

2013 **Treleaven E.** *Predictive factors for childhood immunization in Timor-Leste.* Poster presentation: American Public Health Association Annual Meeting; Boston, MA.

2012 **Treleaven E, Kyeyagalire R, Karamagi E.** *Factors impacting uptake of changes in improvement collaboratives in Bolivia and Uganda.* Poster presentation: International Forum on Quality and Safety in Health Care; Paris, France.

2011 **Treleaven E**, Morgan D, Peña R, Horney J. *RotaTeq coverage and perceived barriers to vaccination in a rural health district in RAAN, Nicaragua*. Poster presentation: American Public Health Association Annual Meeting; Washington, DC.

Invited talks

2023 *Identifying the relationship between polygyny and under-five mortality: Using the Demographic and Health Surveys to study social determinants of health and mortality in early childhood*. Center for Social Epidemiology and Public Health, University of Michigan.

2022 *Effects of exposure to violent conflict on under-five mortality and health service utilization in community-based health intervention in rural Mali*. Population Health and Armed Conflict Working Group, University of Utah.

2021 *Family resources for child health: Evidence from extended kin concessions in rural Mali*. Department of Health Policy and Administration, Pennsylvania State University.

2018 *Understanding and addressing social determinants of child health: A demographic perspective*. Center for Social Epidemiology and Public Health, University of Michigan.

2017 *Parental migration and children's health: Identifying the consequences for children left behind*. Department of Epidemiology and Biostatistics, University of California, San Francisco.

2013 *Child health outcomes among the urban poor in Phnom Penh, Cambodia*. Institute of Population and Social Research, Mahidol University; Bangkok, Thailand.

Other work and research experience

2016 – 2017 **UNICEF East Asia and Pacific Regional Office**, Bangkok, Thailand
Consultant

2016 – 2017 **UCSF Institute for Health & Aging**, San Francisco, CA
Graduate Student Researcher (PI: Jenny Liu)

2015 **United Nations Population Fund (UNFPA)**, Phnom Penh, Cambodia
Consultant

2014 – 2015 **UCSF Global Health Group**, San Francisco, CA
Graduate Student Researcher (PIs: Jenny Liu, May Sudhinaraset)

2013 – 2017 **UCSF-National Hospital of Pediatrics**, Hanoi, Vietnam
Co-Investigator (PI: J. Colin Partridge)

2013 **UCSF Safe Motherhood Initiative**, San Francisco, CA
Research Assistant (PIs: Suellen Miller, Alison El Ayadi)

2011 – 2012 **University Research Co., LLC**, Bethesda, MD
Quality Improvement Specialist, USAID Health Care Improvement Project

2009 – 2010 **University of North Carolina at Chapel Hill**, Chapel Hill, NC
Research Assistant, Health Cognition and Behavior Lab (PI: Noel Brewer)

Graduate Research Assistant (PI: Jonathan Kotch)

2009 – 2010 **UNC-Collaborative Sahsa Health Initiative**, Sahsa, Nicaragua
Graduate Research Project Leader (PI: Douglas Morgan)

2006 – 2008 **Sandler and Travis Trade Advisory Services**, Washington, DC
International Trade Specialist

Teaching

University of Michigan

Summer Institute in Survey Research Techniques: *Topics and Techniques in International Population Health*
with Bill Axinn, Dirgha Ghimire, and Colter Mitchell (Summer 2022)

SurvMeth 653: *Mixed Method Research Design and Data Collection* with Bill Axinn (Summer 2019)

SurvMeth 653: *Mixed Method Research Design and Data Collection* with Bill Axinn and Dirgha Ghimire
(Summer 2018)

University of California, San Francisco

Teaching Assistant, GHS 202D: *Socio-behavioral Determinants of Global Health* (Winter 2014)

Teaching Assistant, SOC 289A/B: *Advanced Quantitative Methods I and II* (Fall 2013, Winter 2014)

Royal University of Phnom Penh, Faculty of Development Studies

Graduate seminar on qualitative data analysis (Spring 2015)

Graduate seminar on issues and interventions in maternal, newborn, and child health (Spring 2015)

Guest lectures

University of Michigan

EPID 506: Introduction to International Health (Fall 2021, Fall 2023)

University of California, San Francisco

EPID 263: Demographic Methods for Health (Fall 2015, Fall 2016, Fall 2021)

Global Health Pathways Clinical Scholars (Fall 2015, Fall 2016)

Professional memberships

Population Association of America

International Union for the Scientific Study of Population

Society for Epidemiologic Research

Interdisciplinary Association for Population Health Science

University affiliations

University of Michigan Population Studies Center, Faculty Associate (2022 –)

University of Michigan Population Dynamics & Health Program, Faculty Affiliate (2021 –)

University of Michigan Medical School Global REACH Program, Faculty Affiliate (2020 –)

University of Michigan Center for Social Epidemiology and Public Health, Faculty Affiliate (2017 –)

UCLA California Center for Population Research, Visiting Graduate Student Affiliate (2015 – 2017)

Mentoring (University of Michigan)

Dissertation committee member

Mengdi Ji, Department of Epidemiology

Center for Global Health Equity Impact Scholar mentoring committee

Uttam Sharma, 2023 – 2024

Nazeeba Siddika, 2023 – 2025

Global Health Epidemiology Master of Public Health thesis

Navdeep Kaur, 2023 – 2024

Marie Jacobson, 2023 – 2024

Kenny Petscavage, 2022 – 2023

Global Health Epidemiology MPH internship

Navdeep Kaur, 2023 (via U-M Center for Global Health Equity Research Internship)

Kenny Petscavage, 2022

Undergraduate independent studies

Sasha Rozenshteyn (PUBH 477), Spring 2023

Arwa Hassaballa (PSYC 326), Fall 2022

Undergraduate Research Scholars Program

Arwa Hassaballa, 2021 – 2022

Undergraduate Research Opportunity Program

Emily Richard, 2023 – 2024

Arwa Hassaballa, 2020 – 2021

Sasha Rozenshteyn, 2020 – 2021

Emma Suh, 2020 – 2021

Hailey Zuverink, 2018 – 2019
